**Invitation "Moldova as a Winegrowing Country – Rediscovering Traditions"
at the ProWein 2009**

Dear Sir or Madam,

The Committee on Eastern European Economic Relations, the Ambassador of the Republic of Moldova in Germany and the Moldovan Wine Guild take great pleasure in inviting you to the following event

**Moldova as a Winegrowing Country – Rediscovering Traditions
to be held on 30 March 2009, 10 am to 11 am
followed by a buffet lunch
Room 6, Congress Center Düsseldorf (CCD), South.**

The Republic of Moldova can look back on a long tradition of winegrowing. In the last few years young wine merchants have increasingly been focusing on the production of quality wines for the western European market. They have joined together to form the Moldovan Wine Guild.

The objective of the event is to help people get to know Moldova as a country with a winegrowing tradition. The Ambassador of the Republic of Moldova in Germany, H.E. Dr. Igor Corman, and the Chairman of the Moldovan Wine Guild will present an overview of structures in the wine sector as well as the potential of bilateral cooperation. A German wine merchant who already imports Moldovan wine will complement the presentation from the German perspective. **We would be delighted if you could register for the event using the enclosed reply form and we could welcome you as a guest.**

We would also like to draw your attention to the Moldovan Wine Guild's stand in Hall 03, stand H19 where you can get to know the products of the Moldovan Wine Guild's companies better.
